MEETING WITH YOUNG PEOPLE

Kraków-Błonie, 27 May 2006

My dear friends,

This evening I met the young people gathered in Błonie Park. It was an unforgettable evening, and it bore witness to their faith and their will to build a future based on the teachings that Christ left for his disciples. I offer heartfelt thanks to the Polish young people for this testimony. It includes your presence on Franciszkańska Street, which I know is an expression of your great good will towards the Pope, and I thank you for this also. Tomorrow lies ahead of us. In greeting you now, I invite you to the Mass we are to celebrate tomorrow. I bless you from my heart: in the name of the Father, and of the Son, and of the Holy Spirit. Good night!
